# COURSE OVERVIEW

This qualification is ideal for learners who have supervisor/ management responsibilities but no formal training and are serious about developing their abilities.

It's particularly suited to practising team leaders seeking to move up to the next level of management, and managers who need to lead people through organisational change, budget cuts or other pressures.

## Who Can Enrol On This Course?

This course is available to those who have not already completed a similar team leadership qualification. The course is best suited for those who already manage, or who are about to take on managing a team of people.

- Be aged 16 or over.
- Have a good grasp of Maths and English, ideally to a Level 2 standard.
- Be already in, or taking on, a leadership role or have key responsibilities in this area, as part of their day-to-day duties.

You may use this apprenticeship to train a new member of staff, or an existing employee. This course is suited for those in Health & Social Care in team leading roles.

# COURSE FUNDING

The overall value of this training is £5,000, however at NTG Training we can access apprenticeship funding from the government meaning most businesses will only pay 5% of the training fees at:

£250

## 95% Funding From The Government

All businesses that do not pay the Apprenticeships Levy will only need to pay 5% of the total training fees. We call this an 'Employer Contribution'.

## 100% Funding for Enrolling Apprentices Aged 16 to 21

If your apprentice is 16 - 21 years old and your business has a payroll bill of less than £3 million, the government will fund your apprenticeship training 100%

## Have a Payroll Bill Over £3mil?

## Access Your Apprenticeships Levy Pot

Businesses who operate with a payroll bill over £3 Million are required to pay a levy which allocates funds to a pot for apprenticeship training. Ask us for more advice on utilising this.
